Due to the historically large class of 2024 and the depth of capable players, NTB is excited to be piloting a restructured approach with this year's boys 6th grade to enable four more children to be enrolled in the program. The A team will consist of 16 kids, and the Red and White teams will carry 12 as they did in prior years. The A team will practice as one unit throughout the season, and split up on Sundays into two separate units for games. This pilot will not decrease practice or game time for any 6th grade players. More information will be provided in the near future to the families of the A team players.
